

# Direct Deposit Form

Direct deposit will be used for reimbursement of your claims. Direct deposit reimbursements ensure that your payments are made directly into your bank account.

You can submit this form along with a voided cheque or direct deposit form from your bank. We can usually begin your direct deposit payments 2–3 business days after receiving your request.

Most chartered banks, trust companies, credit unions and treasury branches facilitate direct deposit. You should check with your financial institution to make sure you can receive payment into the account selected below. If necessary, your financial institution can help you complete this form.

You can change or cancel your direct deposit at any time by informing us in writing. It can take up to 3-5 business days to process your request, so please remember this when requesting a change or deletion of your bank account information.

Before the payment has been deposited into your account, you will receive an email detailing the payment. This is called an Explanation of Benefits.
